

Deaconess Abundant Life Communities Giving Trees

The Deaconess Abundant Life Communities **Giving Trees** are brass and bronze trees on permanent display in the lobbies of our Newbury Court, Rockridge and Seashore Point Communities which recognize many of our generous donors. For an individual contribution of \$500 (Rockridge/Seashore Point), \$750 (Newbury Court, Concord) or more, donors can have an engraved brass leaf placed upon the tree in memory of a loved one, to honor a special person or in celebration of a special occasion. Since their dedication, many families have honored the memory of beloved spouses, parents, grandparents and children. Others have chosen to honor lives of service and inspiration. Many deeply moving stories are now represented by the leaves engraved at all three communities. For more information about honoring someone through a **Giving Tree**, please call our Director of Development at 978-369-5151 x370, or use the attached coupon. We welcome the opportunity to discuss other dedication and naming opportunities with you as well!
