

The New England Deaconess Association **“Giving Tree”** is a majestic brass and bronze tree in the NEDA lobby which recognizes many of our generous donors. For an individual contribution of \$500 or more, supporters of NEDA have engraved brass leaves placed upon the tree in memory of a loved one or to honor the service of a special person. Leaves can also be engraved in celebration of a special occasion such as an anniversary, graduation or wedding. Since its dedication, many families have honored the memory of beloved spouses, parents, grand parents and children. Others have chosen to honor lives of service and inspiration. Many deeply moving stories are now represented by the leaves engraved there. We are very grateful for the generosity of our donors which allows us to continue NEDA’s tradition of extraordinary service to very special older adults every day.
